Help Us Give To Your Community

Each month First Electric "rounds up" the electric bill of participating members to the next highest dollar. That change — an average of just \$6 per year — is used to support worthwhile projects in our communities. Currently, more than 14,000 First Electric members contribute to Operation Round-Up. However, we would like to raise that to 20,000 members. Enroll by December 31 for a chance to win one of three \$100 bill credits. And, if our 20,000 goal is reached by December 31, we will "round up" that bill credit up to \$200 each!
